Foreword

Woodruff with its students and faculty; its pep assemblies and stunt shows; and the clamor in the cafeteria, the rush between classes, and the slamming of lockers at the end of the day--all are part of our everyday school life. It is this life that we of the Talisman staff have tried to picture in the following pages.

The portrayal is not hampered by a time-worn theme making everyone appear as Indians, aviators, pioneers, circus clowns, or puppets. Instead we have tried to show the students as they really are--working, studying, relaxing, and enjoying their days at Woodruff. Because of this modern interpretation, it is our hope that we have been able to publish a yearbook that is in keeping with the high standards set by the students and faculty of Woodruff High School. May this Talisman furnish the key to your memories of the 1951-1952 year and may it keep those memories fresh and vivid always.

Dedication

In recognition of your years of service to Woodruff, with gratitude for the honors bestowed upon our school through your work, and in appreciation of your sincere interest in the promotion of Woodruff's ideals, we dedicate this 1952 Talisman to you:

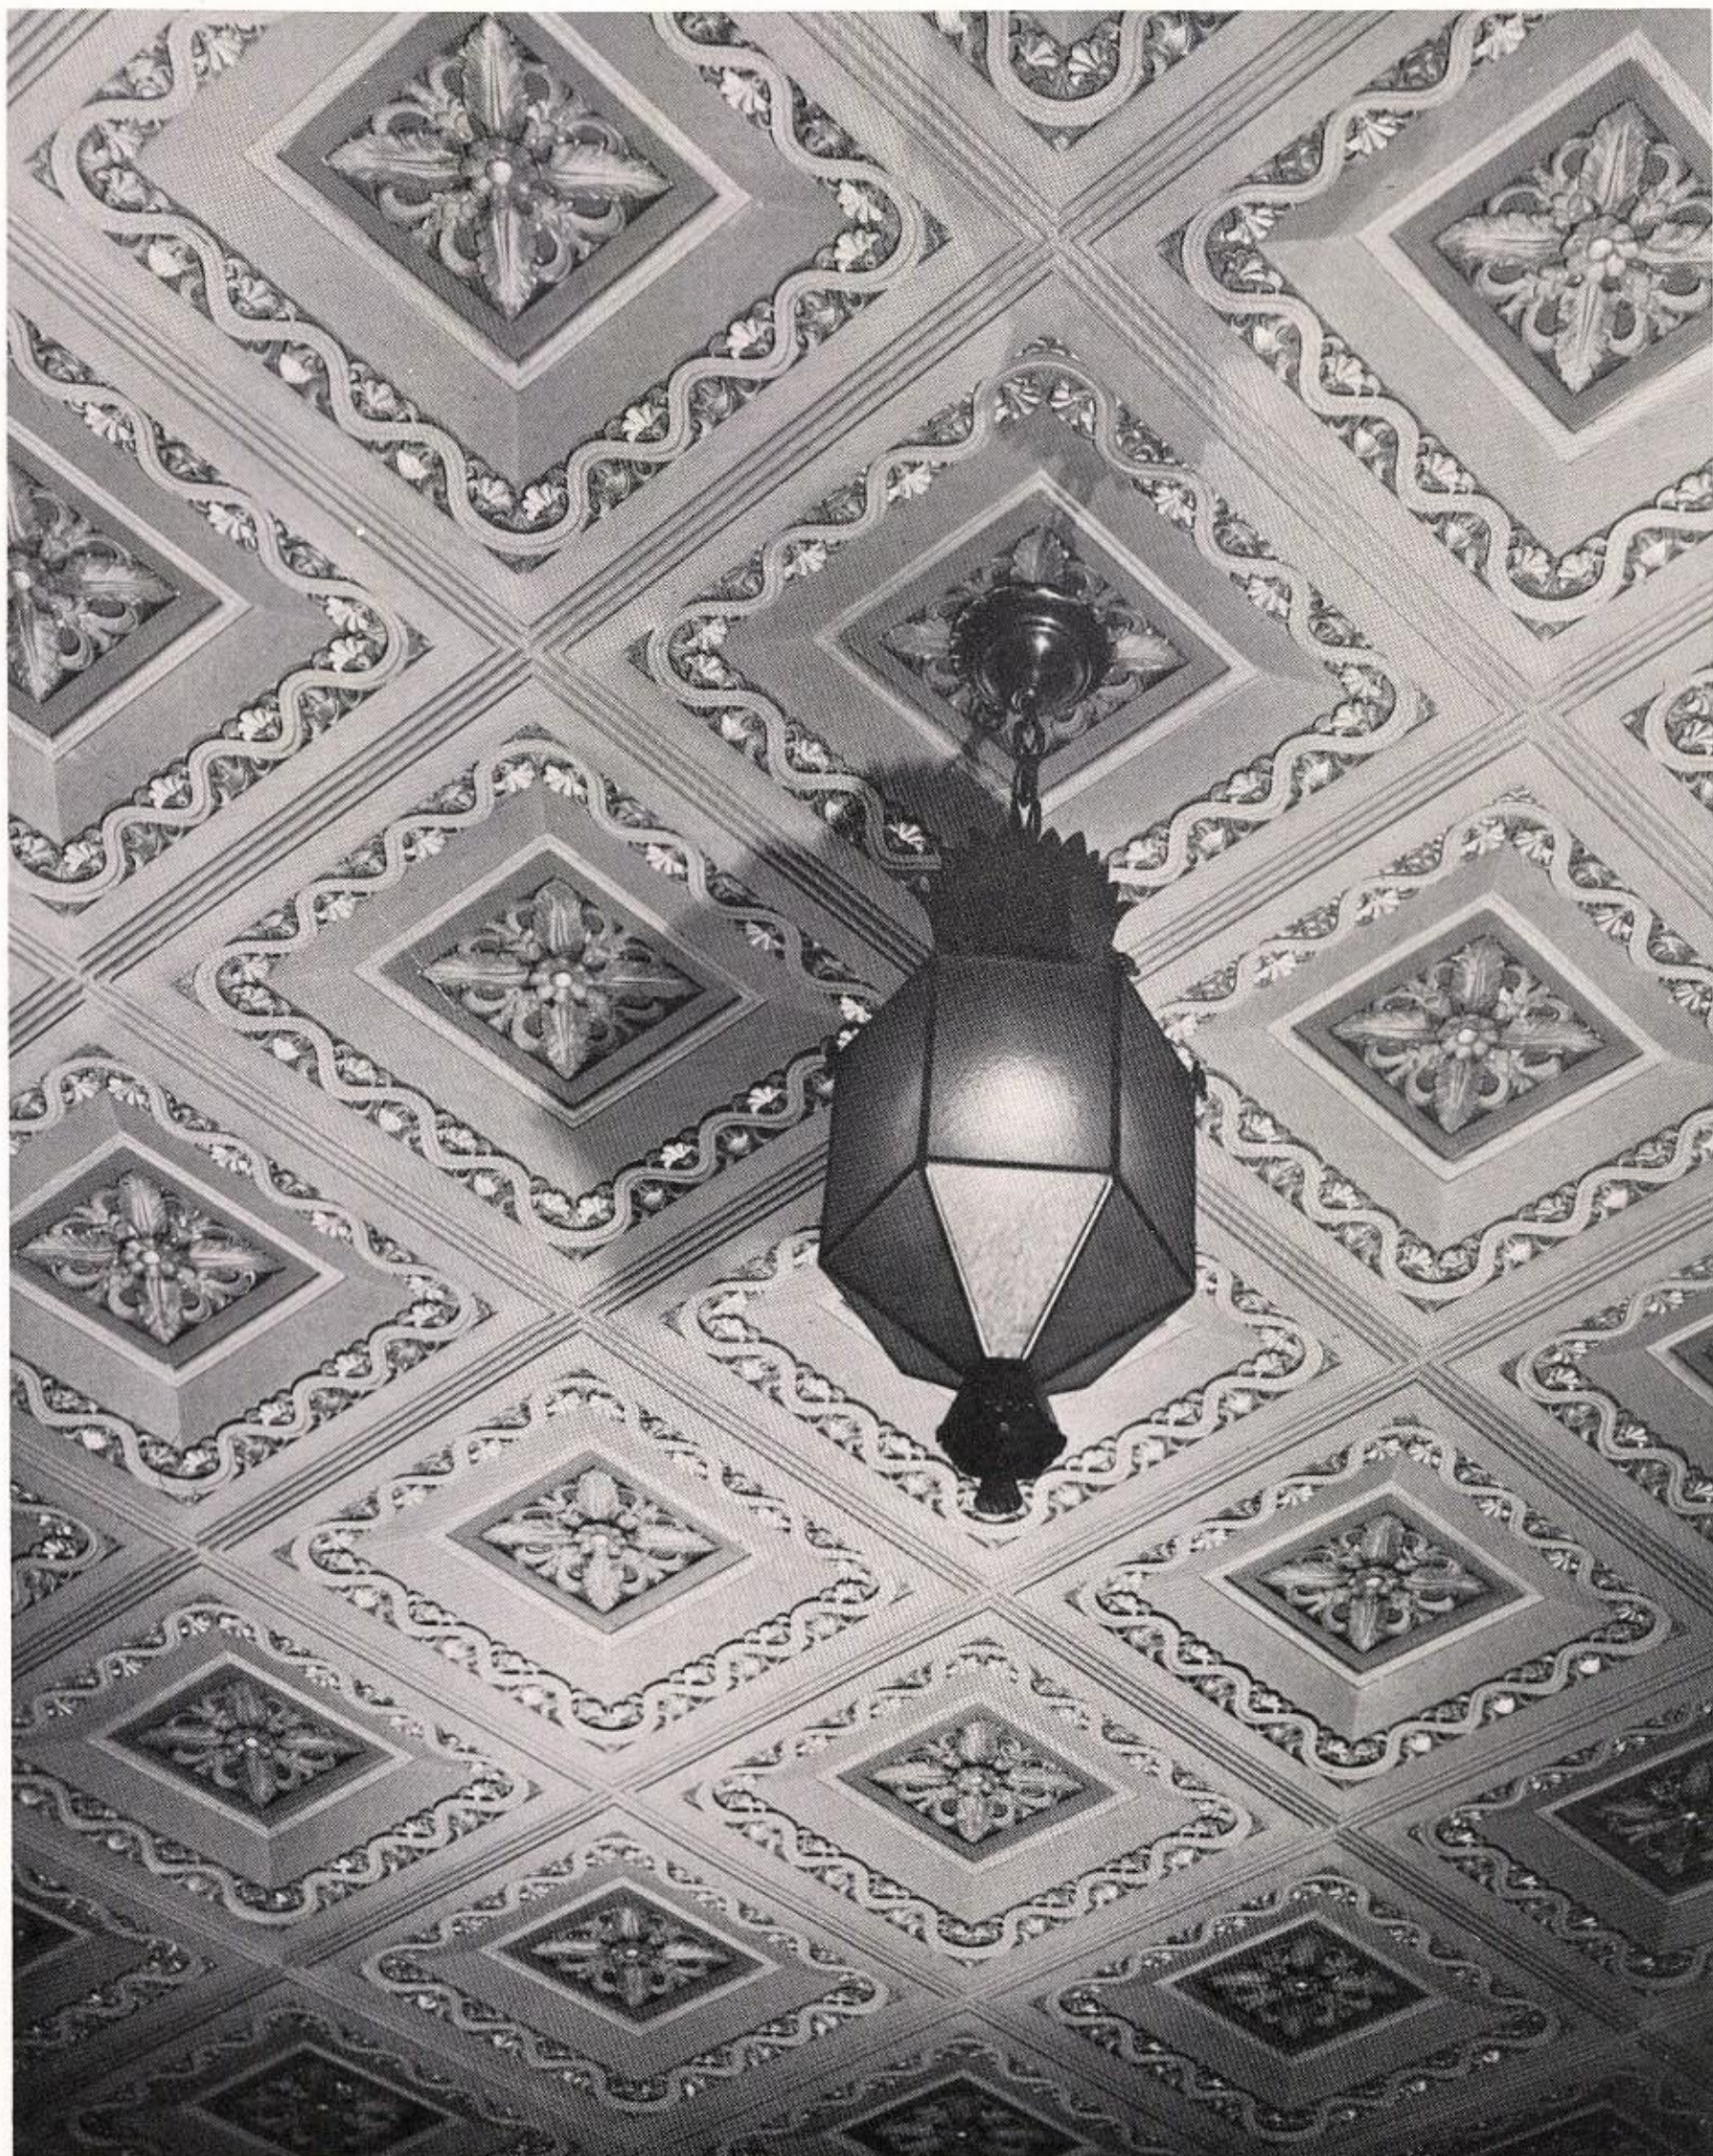

Miss Bertha Berman

It is our hope that this honor will be a fitting reward for the innumerable hours spent teaching in the classroom, and directing speech activities, and stage productions. We would like to further recognize your endless patience in dealing with students. We respect your almost unlimited command of the English language and its use, and we are ever mindful of the lasting impressions you leave with those fortunate enough to work under your guidance while at Woodruff.

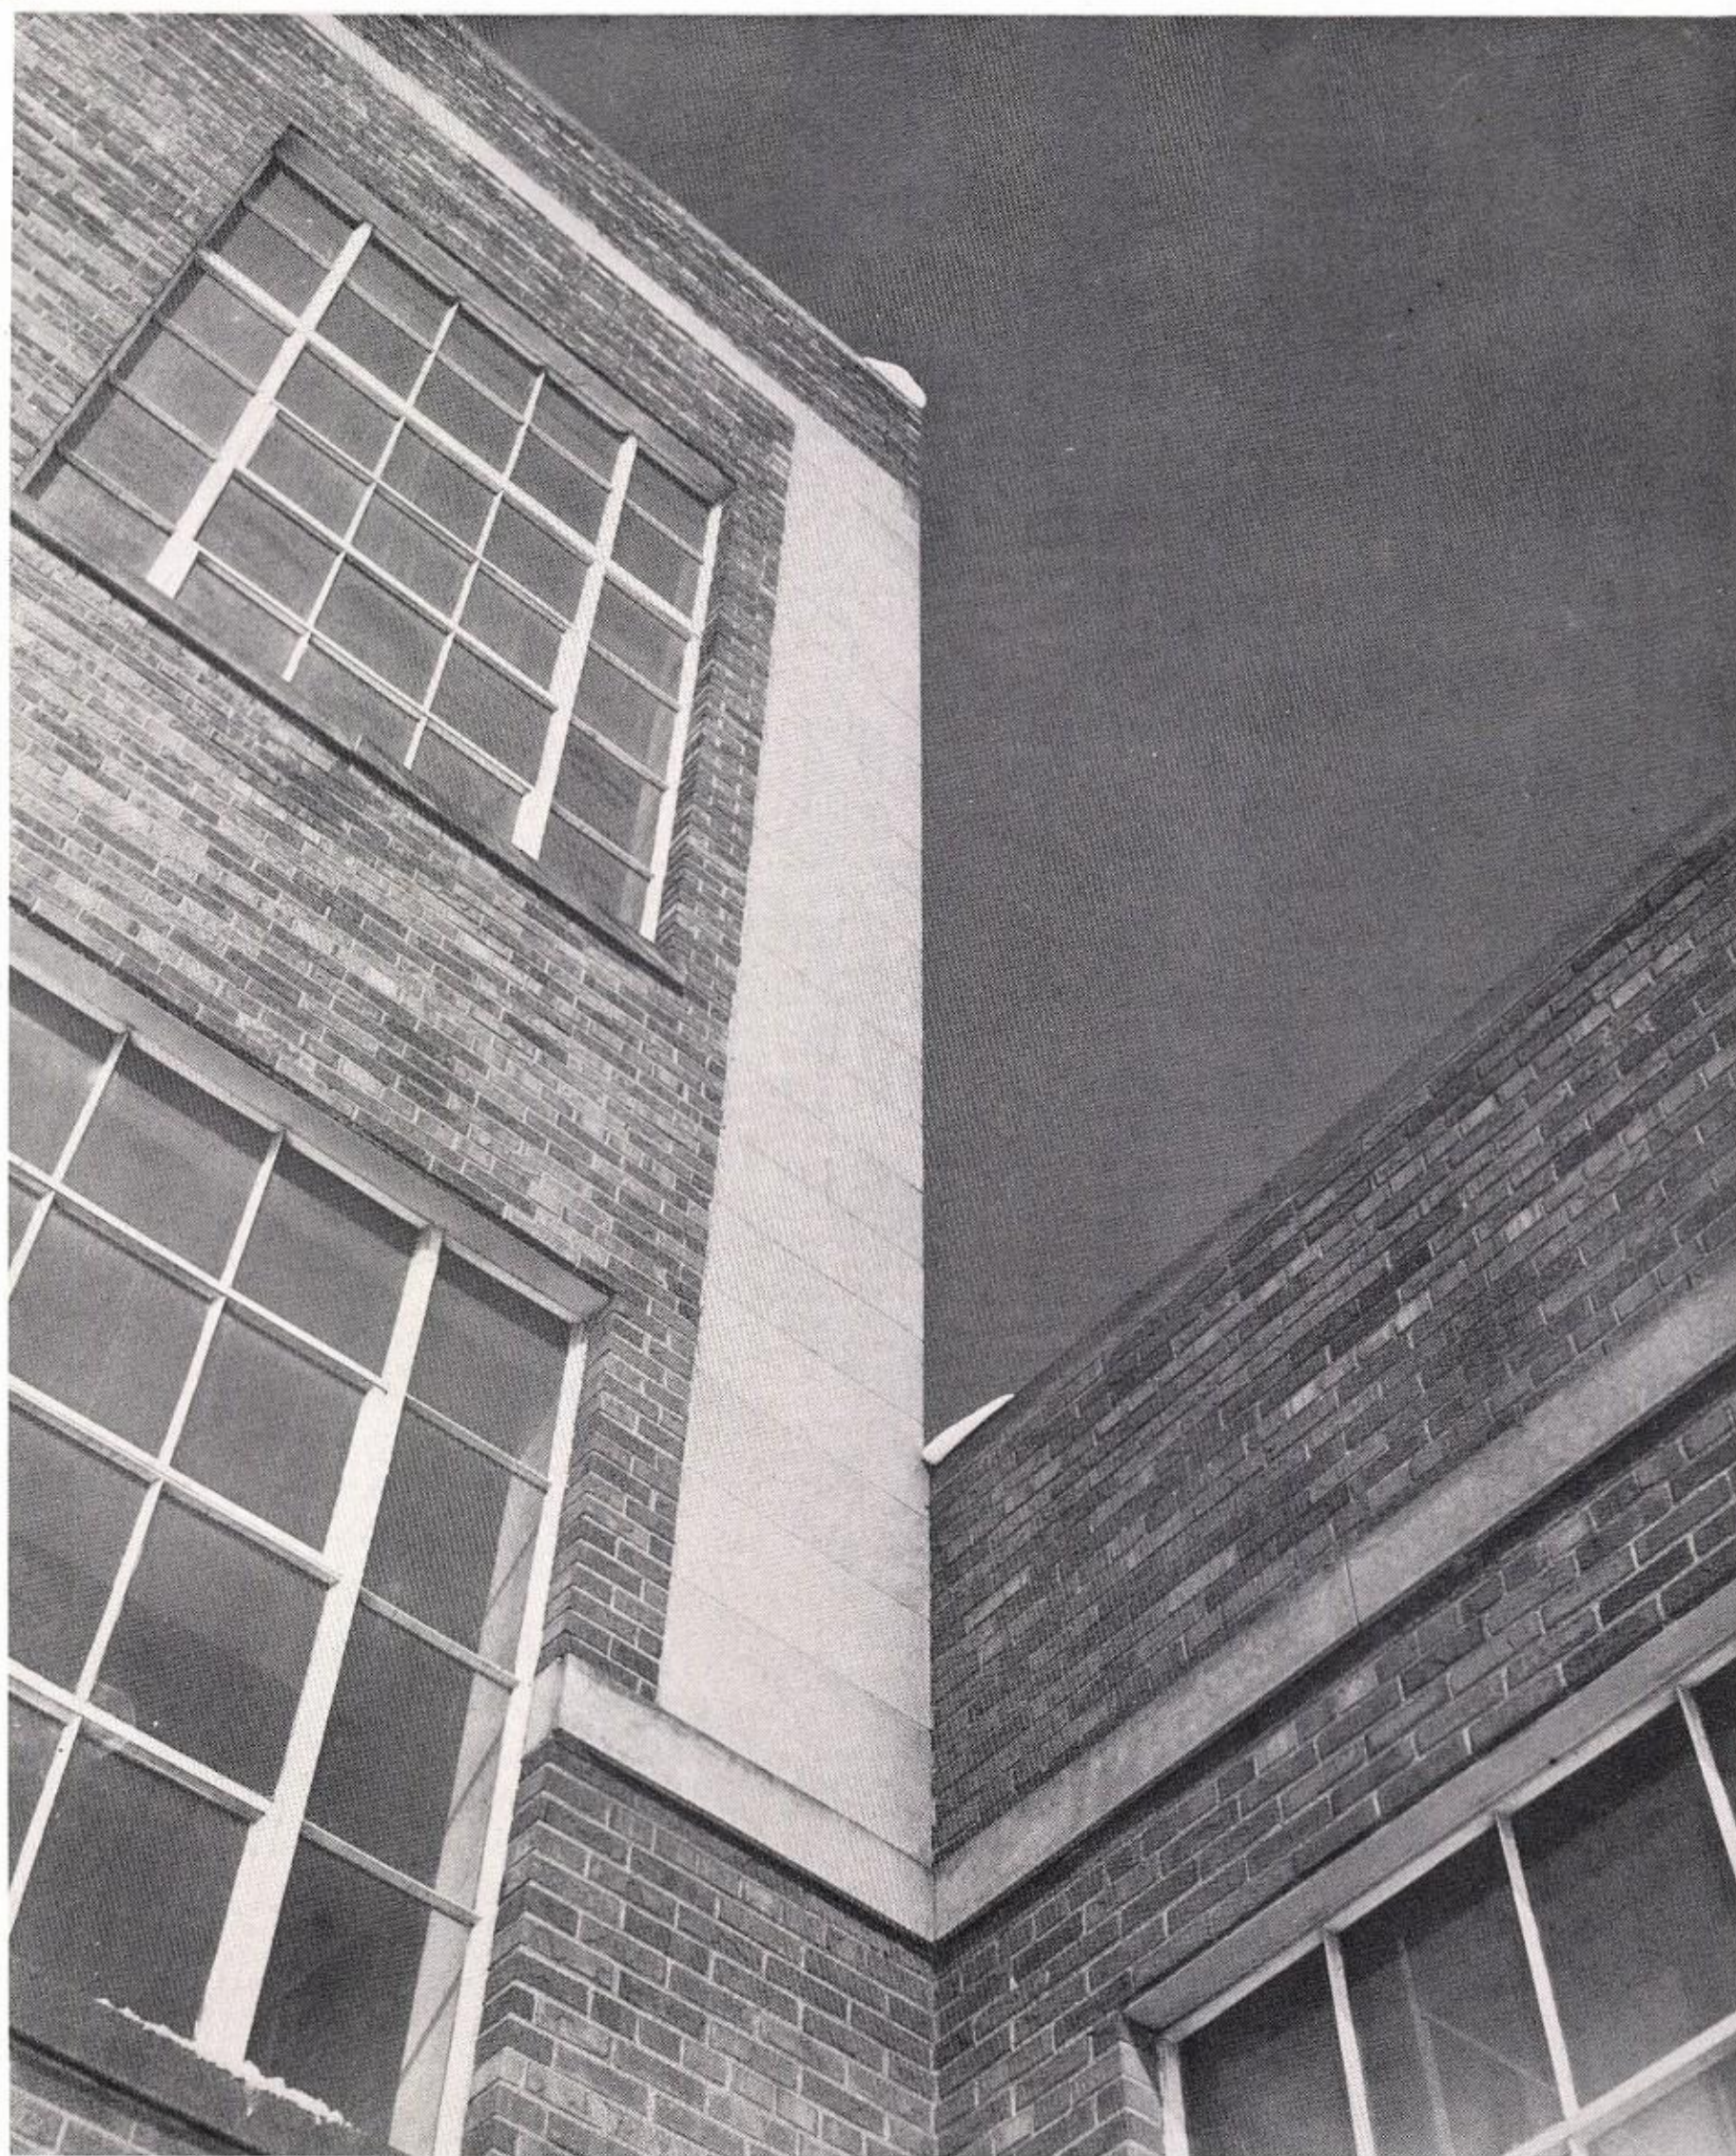

Serenity reigns! But it will soon be changed by the rush of students buying tickets for the big game.

The beautiful ceiling in the entrance hall is often admired by visitors but seldom noticed by students. Here the design, derived from the Roman rosette, is viewed from an interesting angle by the Talisman photographer.

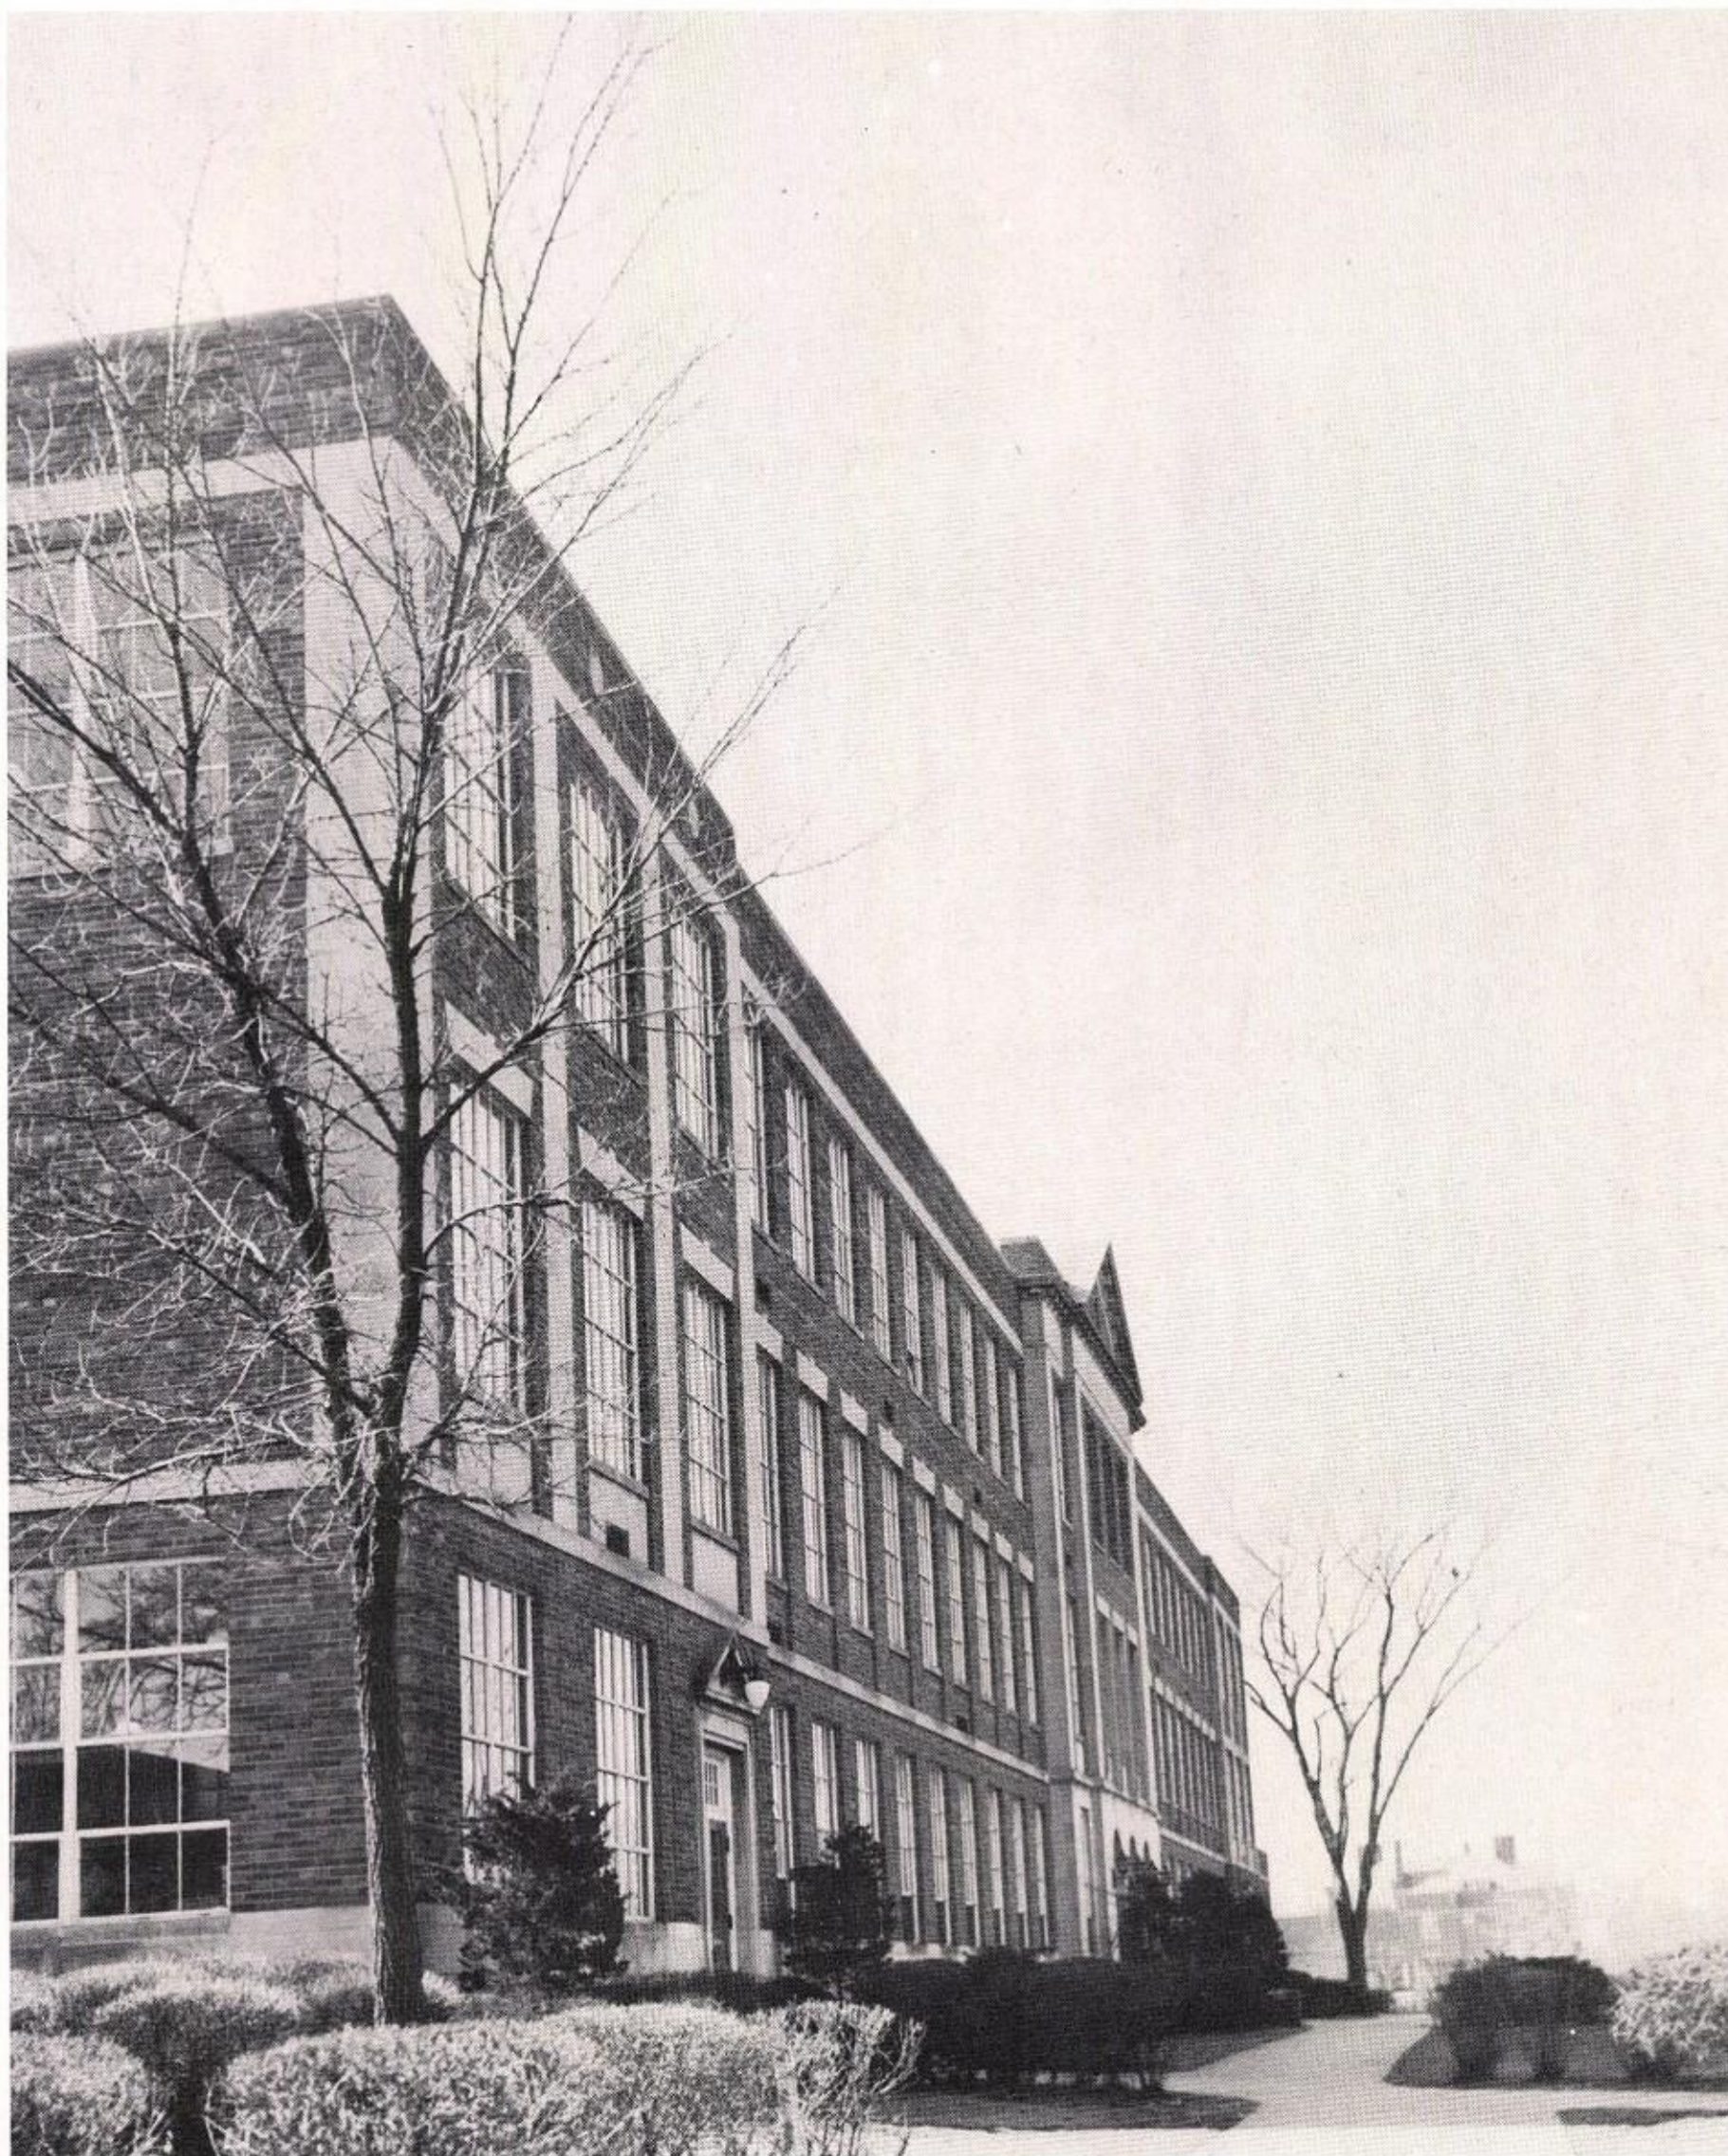

Sharp angles against a cloudless sky heighten the effect of the snow-topped walls of Woodruff.

Woodruff High School, named for the late E. N. Woodruff, long-time mayor of Peoria, is carved in stone to be forever seen by old and new students as they enter this fine building.

The doors of Woodruff open an exciting life for new students and recall happy memories of school days for the alumni. They are ready to welcome anyone who is earnestly striving to get an education.

The front of Woodruff reaches majestically toward the sky in this view taken from Mound Street.

These experienced upperclassmen stop to gaze with amusement at a bewildered freshman on the wrong side of the stairs, and fondly recall the days when they, too, were 'greenhorns'.

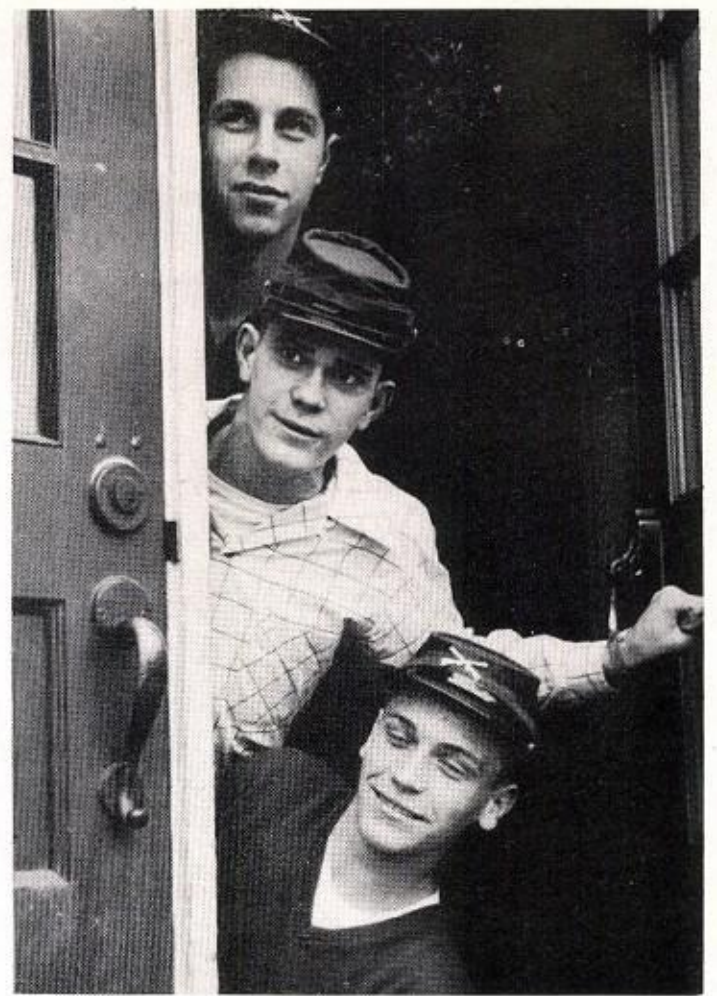

Colors - optical illusion - argyles.

Pony tails - yank!

White bucks - dirty bucks - shoe polish - dirty bucks.

Remnants of Civil War!

Fads of '52

A few of the numerous fads of the past year are pictured here to capture special fashions that are soon discarded and forgotten.

Hair that wuzz is fuzz - poodle cuts.

English

Miss E. Sperling shows her Senior English class the different costumes worn during each of several centuries of England's history with drawings by Pat Middleton.

Journalism students learn the do's and don't's of the newspaper profession at the same time get experience by working on the Woodruff Observer. Nancy Dowling and Miss Jeanne Berman look over a recent issue.

MARGARET DALTON, M.A. English, Prefects.

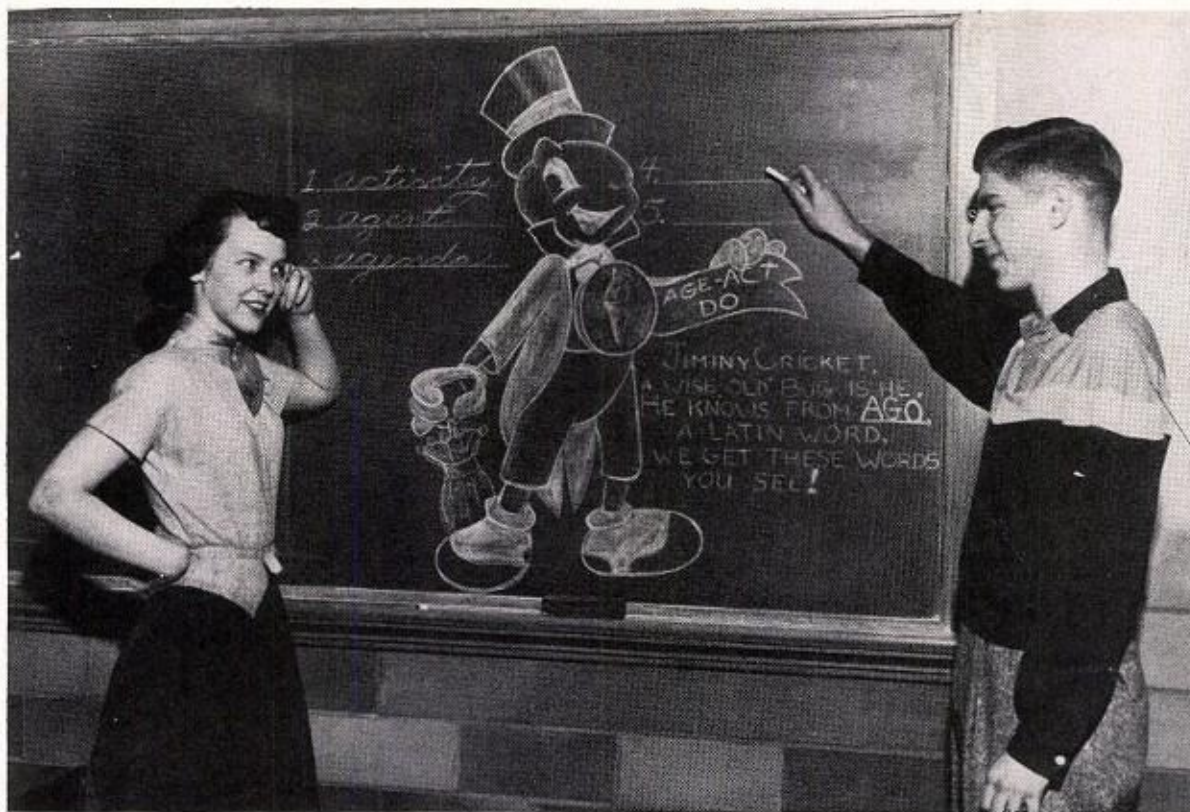

KATHERINE LANGTON, M.A. English, Publicity.

WINONA WHITTINGTON PFANDER, M.A. English, Junior Red Cross, Ushers

EDWARDINE SPERLING, M.A. English, Christmas Play, National Honor Society.

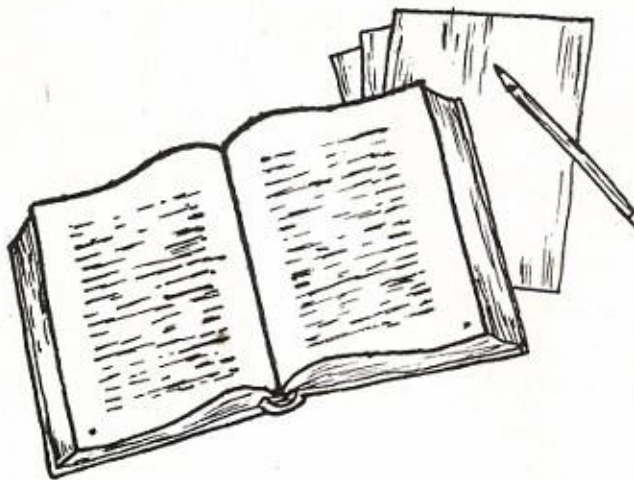

With the help of Jiminy Cricket and other special projects, students like Donna Webb and Ray Szidon learn how we derive common English words from Latin verbs.

Student library assistants like Nadra Cooper and Bill Weyeneth acquire valuable experience for future jobs while serving a worthwhile school organization. In addition the library club offers many social events.

DANE H. HARRIS, B. Ed. Speech, Sr. Problems, Debate and Dramatics, One-Act-Plays, All-School Play, National Forensic League, Masque and Gavel, Speech Contests.

Language

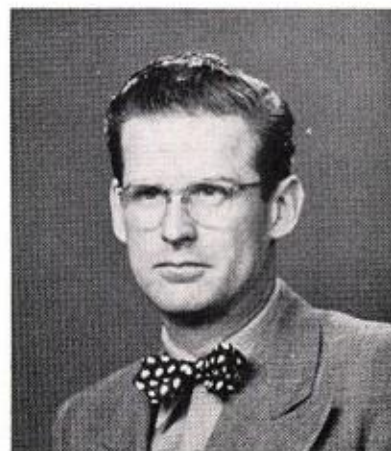

History is more easily understood when maps, globes, and study guides are used to explain the events of the past. Mr. Hoeflin points to a spot on the globe referred to in class work as Rosie Lee McKnight and Dave Michelson look on.

With the first warm days of Spring, the geometry classes go to the park and put into practical application the rules they have learned during the winter.

Home Economics

It's easy to see making cake is just an everyday occurrence to this masculine chef, Carl Fidler, as it is to all the members of the foods classes. No job is too large for these cooks to tackle.

'Mother and Child Care' is a special Red Cross course taught in all home management classes. It is one of the many phases of homemaking that girls learn for use in their future homes.

Music

It takes many hours of practice sessions, like the one pictured above, in order to develop the W. H. S. band that is considered one of the best in Illinois.

Members of the A Capella Choir have an opportunity to work together and learn to appreciate good music. These members are snapped in the often repeated act of donning their robes for a coming performance.

Pow Wow

Freshmen win again! With the aid of Abraham Lincoln and his story telling the underclassmen triumphed for the second consecutive year. Under bright lights and layers of make-up the four classes presented their stunts to open the homecoming festivities.

Climaxing the whirl of activities surrounding the week-end celebration was the crowning of the Chief and Princess. Reigning over the year's dance were Chief Duane Lovestrand and Princess Marlyn Sitton, (sister of last year's homecoming Princess).

Senior Class Play

Peg O' My Heart

This year's Senior Class Play under the direction of Mr. Earle C. Skaggs was the story of a poor, young Irish girl who went to live in England and be reared by Mrs. Chichester. Peg came to England but for friendship and took away love. Betty Smith, taking the part of Ethel Chichester, has just fainted as Bill Burns (Alarie Chichester), Barbara Jurim (Mrs. Chichester), Lois King (Peg), and Dick Scrivner (Jerry) look on.

Glen Grove as lawyer, Montgomery Hawkes, has just told Lois King (Peg) of the death of her uncle and her resulting inheritance. Don Selvy, as the butler; Micheline Brajon (maid), Al Fuson (Christian Brent), and Betty Smith (Ethel Chichester) listen to the surprising news.

All-School Play

Murdered Alive

The All-School Play was directed this year by Mr. Dane H. Harris. In a scene from the play Glen Grove (Marvin Ryder) rises unexpectedly from the dead with the unconscious Bill Burns (Acton Chance) in his arms. He greatly surprises his friends and family, Don Selvy (Otis Marvin), Dick Scrivner (Warner Milton), Mary Voss (Mrs. Ryder), and Carol Chapman (Iris Alda) by his sudden appearance into the already confused household.

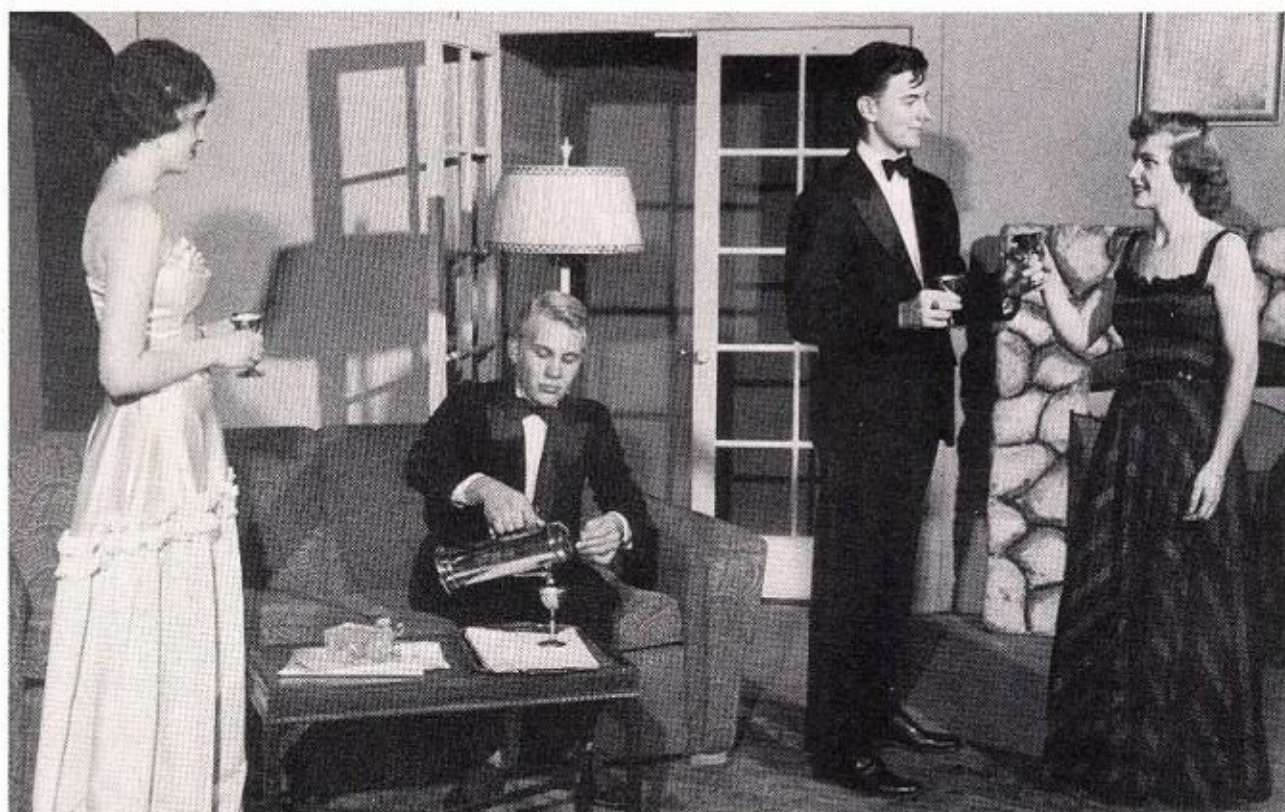

Listening with mingled surprise and disgust as Don Selvy (Otis Marvin) reads the unusual will of Marvin Ryder are Bill Burns (Acton Chance), Glen Grove (the Mysterious Stranger), Peggy Davenport (Mrs. Backus), Penny Butterfield (Tillie Meek), Fay Duncan (Arden Ryder), Mary Voss (Mrs. Ryder), Carole Hermann (Lavern Speed), Carol Chapman (Iris Alda), Carol Darnell (Arlene Ivans), Jack Lawless (Mr. Backus), and (under table) Dick Scrivner (Warner Milton).

Three One-Act Plays

THE LAUGHING GHOST

When Pamela (Fay Duncan) arrives at the home of Joe (Dick Scrivner), her fiancé, she finds the house in an uproar due to ghostly laughter (Kathy Hartrick) which in reality is Uncle Ed (Marty Sullivan). Aunt Barbara (Peggy Davenport), Elaine (Frances Bavis), Daisy (Sharon Harper), and Cleo (Penny Butterfield) look on as Uncle Ed is caught in the act.

THE ELIGIBLE MR. BANGS

Mrs. Foster (Beverly Dinger) and husband (Ralph Wiesehan) try to arrange a match between their friend Lucille (Gloria Hetherlin) and the eligible Mr. Bangs (Jack Lawless). The ensuing events lead to a happy ending.

CHAIN REACTION

Cynthia (Nancy Schwartzbeck) feigns the swallowing of Barbara's engagement ring as Robert Blair (Don Selvy), Buddy Dale (Bill Costellia), Mrs. Blair (Sally Jo Greeness), Barbara (Doris Herman), Kippy (Glen Growe), and Helen Newman (Dinah Walder) look on with anxious disappointment realizing that their source of money is no longer available.

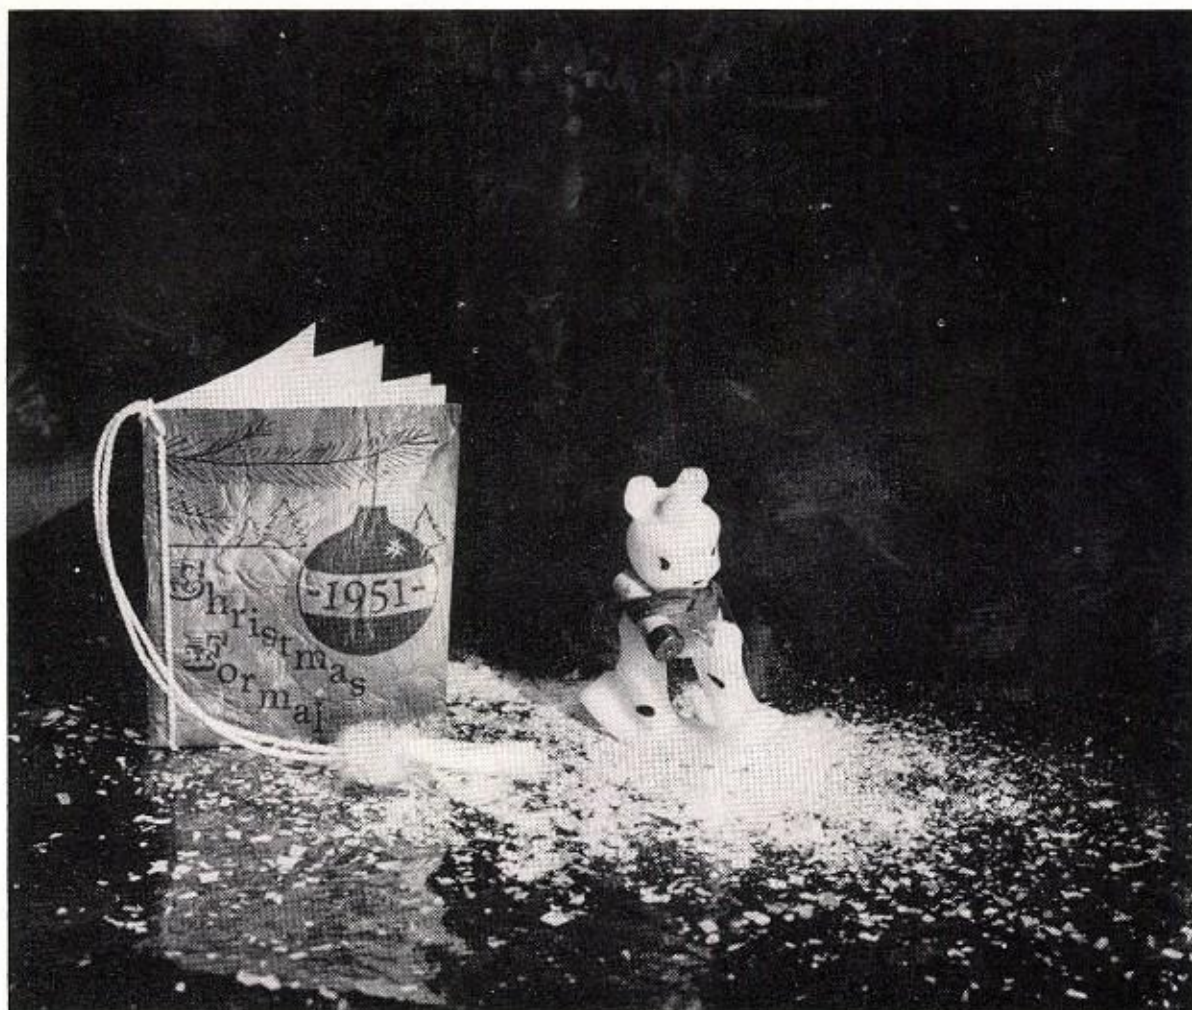

Junior Prom

All set for the big dance of the year! Guy Hatfield, president of the Junior Class and king of the Junior Prom, calls for the queen of his choice, Shirley Livengood. As Shirley slips on her coat and accepts her corsage from Guy, both look forward to an evening that will provide memories for years to come.

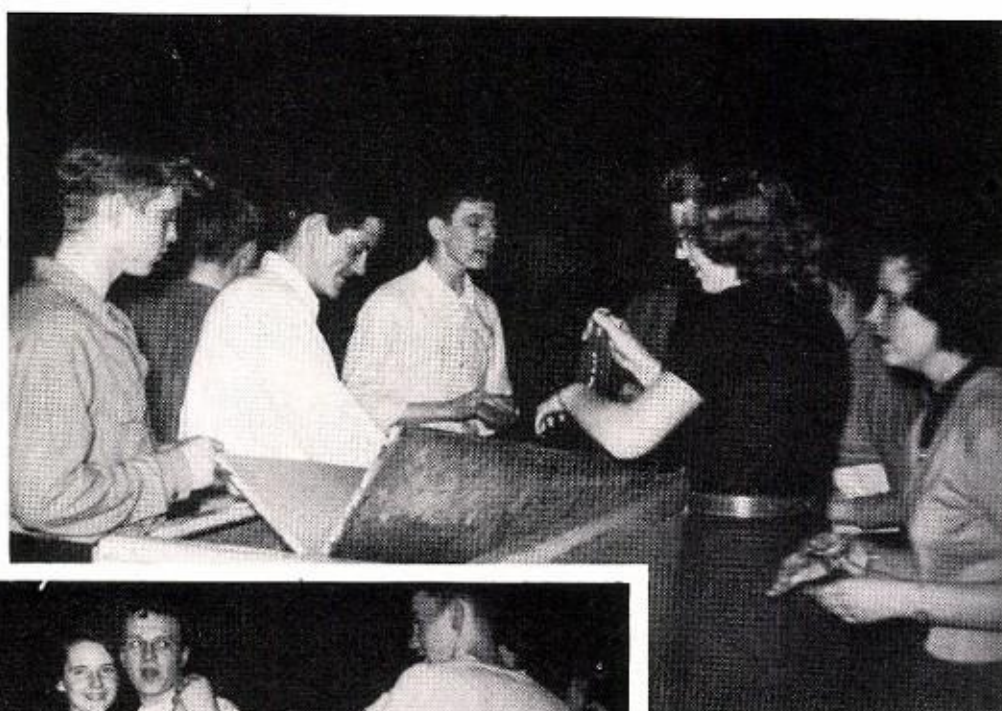

Christmas Formal

A small reindeer candle with his pack of lipstick, as well as the sparkling gold and red program were given to each feminine dancer who attended the Christmas Formal. Sparkling, romantic memories are recalled by these souvenirs, pictured in a miniature world amidst snowflakes and Christmas wrappings.

Sock

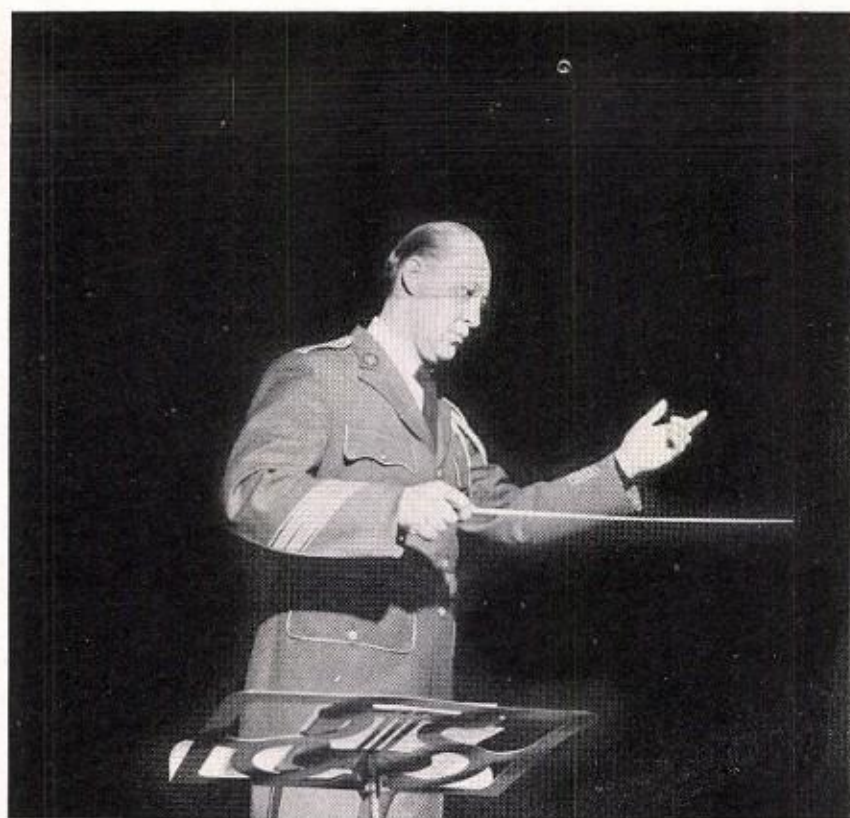

Dance

The Woodruff Warriors with their Indian maidens shed their moccasins for one evening to dance in their socks. The soft pitter patter of feet, garbed in all kinds of colorful stockings, accompanied the soothing music of the 'Musical Teens'.

This was one of the after game dances sponsored by the Student Council.

Guest artists, Mr. and Mrs. Howard Kellogg, besides unusual arrangements, lighting effects, and student soloists, combined to make the annual Winter Concert of the Woodruff band a big success. Playing to a capacity audience, the band introduced many new songs including 'Git on Board' accompanied by the majorettes.

The surprise of the evening was furnished by Paul Yoder, who directed the band in a new arrangement of 'Tell Me Why'.

The band is under the direction of Lawrence Fogelberg, member of American Bandmaster's Association.

Band Concert

Senior

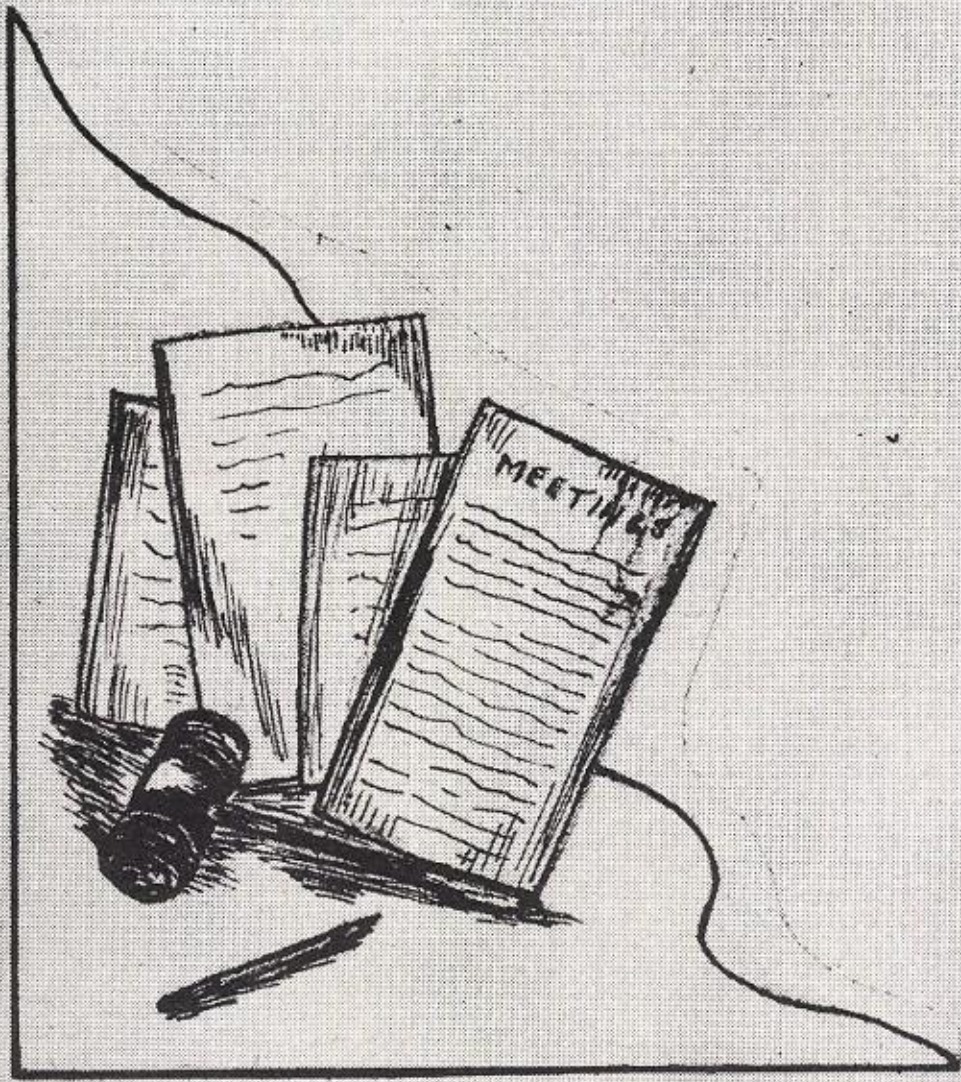

Party

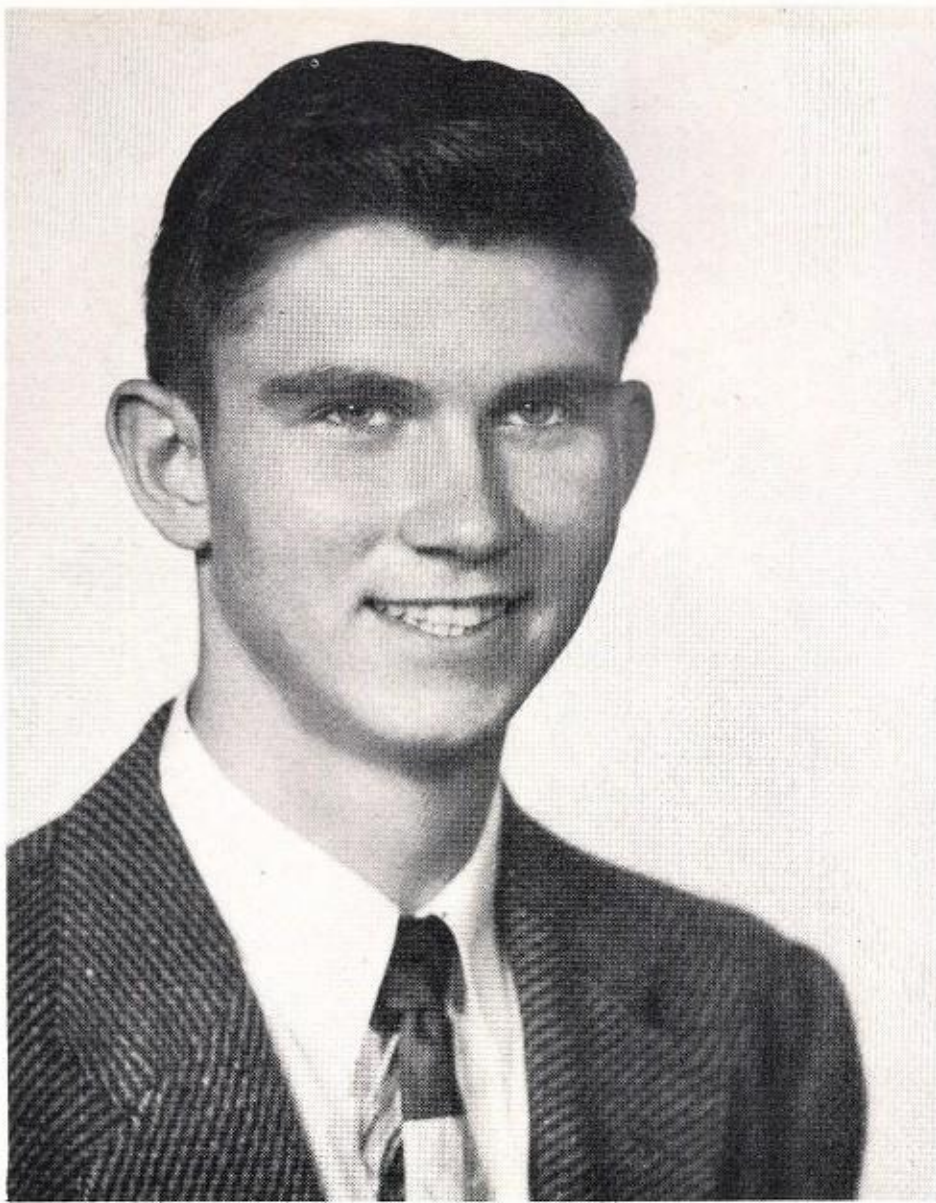

The end of winter and the coming of spring was the theme used by the Seniors at their annual class party. Scores of Seniors and their guests enjoyed the varied entertainment, refreshments, and decorations as they attended their last party at Woodruff.

Organizations

Richard Kaylor
President

Student Council

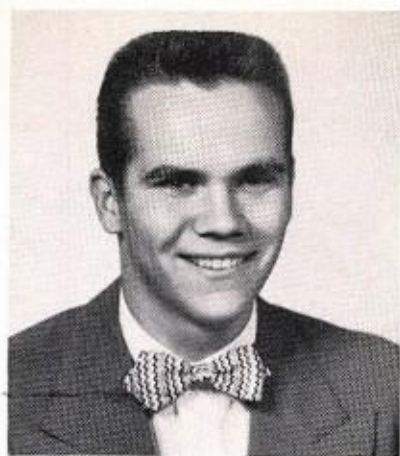

The Woodruff High School student council under the direction of Mr. Edward Moll, is composed of members elected from each of the four classes. Some of the functions of the council are: dances, lost and found, school supplies, student directory, lyceum assemblies, and elections for class officers. These functions aid in the improvement of school conditions.

Scholarship and hard work, as well as a great deal of valuable experience in meeting the business people of Peoria are opportunities offered to Woodruff students on the OBSERVER Business Staff. While working on the OBSERVER, one may gain membership in Quill & Scroll as well as the privilege of earning a letter.

The articles in the bi-weekly OBSERVER are the work of the editorial staff, composed of high ranking journalists selected from the student body. Their work consists of gathering the news, writing the articles, and waiting to see it in print in the OBSERVER. The OBSERVER is a member of Columbia Scholastic Press Association, National Scholastic Press Association, and Quill and Scroll an international journalism society.

The 1951 Woodruff gridders under Coaches Boucher and Gross rolled through the season with an average of .667. This was very good considering that there were only 6 lettermen back from the 1951 squad.

Although the 'iron men' lost the first tilt to Quincy 20 - 7, they came back to whip Galesburg 19 - 6. They dropped the next game to Central 19 - 7, but under the leadership of Co-captains, Bob Colwell and Bernie Rohman, the Warriors tore through Canton and Lincoln. The latter game being our home-coming.

After falling to Manual, the Woodruff boys defeated Kewanee and recaptured the famous silver horseshoe from East Peoria. With two games remaining we lost to Pekin 40 - 7, but on Turkey - Day the Warriors whipped Spalding for the second time in 13 years. The sparkling discovery of the year was Dick Murray. Transferring from Chicago, Dick played some real football for the Warriors. Dick was chosen on the first team of the whole city. Also sharing all - city honors were Bernie Rohman and Jerry Werner.

Other graduating players deserving recognition are: J.W. Bell, Duane Lovestrand, Jack Chitty, Charles Hauptly, and Charles Chamberlain. On the whole the Woodruff Warriors played a hard fought, successful season.

The 1951-52 'hoop men' completed a successful season under the excellent coaching of Mr. Thomas Correll. They started off the season by beating U. High of Normal and Spalding. Dropping the next game to Pekin, the Warriors came back to whip East Peoria before being defeated by Kewanee and Manual. After this the Warriors 'see-sawed' back and forth by beating Lanphier, losing to Quincy, whipping Wells of Chicago, losing to Rock Island, and winning a thrilling game over Central, 58-57. Manual managed to slip by the Warriors as did Canton, but they came back to whip Abingdon and Central before falling to Spalding. Sparked by Captain Bob Colwell the team finished the season in fine style by beating Princeton, Mason City, Macomb, and Galesburg.

Outstanding men on the team were: Jon Burnham, Bob Colwell, Don Smith, Clyde Stenson, Bob Corley, Delbert Bireline.

Varsity Baseball

The 1951 'diamond men' completed a very successful season with a total of eleven wins and 7 losses. They started off the season by beating Armington and East Peoria. After dropping a thriller to Central, 2-0, they went on to beat Canton, Mid County, East Peoria, and Manual. Glasford managed to beat the Woodruff nine, before the Warriors went on to overthrow Washington and Kewanee. After this the Warriors met defeat at the hands of Central, Galesburg, Spalding, Manual, and Pekin. In the meantime, they won over Glasford and Armington.

The outstanding men on the 1951 team were: Gene Patton Captain, Bob Colwell, Carl Weber, Bill Gand, Bob Gibson, Bud Hire, Jon Burnham, Jack Molleck, and Don Wyss.

Cross Country

The 1951 'long puff' men roared through the season like a strong tornado. Undefeated, as usual, the Woodruff Cross - Country Team bowled over Washburn, Galesburg, and Pekin in rapid succession. The 'thin clads' then captured first place at the Geneseo Invitational meet at Geneseo, Illinois.

After a week of rest, the boys went on to capture first place at the Illini Conference and District meets. The latter victory entitled them to compete in State competition at Champaign, Illinois. It was a horrible day with a gail blowing wind and temperatures ranging near the zero mark, however, the warriors came through in fine style for Woodruff - coming in third. Competing in this meet were: Bob Smith, Jack McCombs, Tom Walton, Charles Hakes, Bill Benner, Dick Dunn, and Bill Stone.

To sum it up the squad completed a very successful season with due credit going to Mr. Gummerson, their fine coach.

The 1951 'cindermen' finished the season, as usual, in exceptionally fine style. Under the able coaching of Mr. Roy Gummerson, they swept through all local dual competition undefeated, only to go on to the more difficult relays to retain their winning streak. Toward the end of the season Central, Pekin, and Manual felt their wrath at the Greater Peoria Meet. The next contest to fall to the Warriors was the Illini Conference and then by winning the District they were entitled to compete with the victors from all over the state at Champaign, Illinois. It is a very high honor to compete in this meet of champions.

The boys that deserve special recognition are: Jim Kats, captain, Bob Wagler, Tom Walton, Charles Hakes, Jerry Weiss, Wayne Root, Tom Bachtold, C.B. Prunty, Jerry Lindenmeyer, and Bob Smith.

The path to your success is here at Bradley University!

Bradley, as one of America's strong medium-sized universities, combines the advantages of the very large university with the personal attention provided by smaller colleges. Dr. Ralph McDonald, chief of the division of higher education, National Education Association, recently stated, "Bradley has the highest accredited rating that an institution can achieve in the United States."

Extracurricular activities at Bradley surpass those of all but the very largest universities. Bradley has more than a hundred clubs, sororities, and fraternities catering to a wide range of interests.

Bradley University offers over 1000 courses in over 50 areas of study. Its free lecture-arts series is not surpassed in any university in the United States. The University is accredited by all major accrediting agencies.

Under the new "Bradley Plan," a student is given the opportunity to combine his regular college education with military training in the university's Air ROTC. If his college and military work is creditable, he has a chance for deferment until graduation and for gaining a reserve commission, upon graduation as a ground forces officer in the Air Force.

TALENT

Want excitement? Want to meet people? Want a good job, regardless of your training or talents? Then get into department store retailing! Few careers offer more to those with patience, ability and will. This is particularly true of Block & Kuhl Co.

Progressing from one store, in 1879, into a Statewide, \$30,000,000 business with nineteen stores, Block & Kuhl has consistently held to the policy of promotion from within. Key positions throughout the Company are held by persons who have come "up through the ranks."

As we continue to grow, we continue to need men and women who are interested in earning while they learn any of the specialized fields that comprise the complex operation of a department store.

Want you write us, or come in? Our personnel director will be happy to acquaint you with the details, benefits and opportunities that await you at Block & Kuhl's.

east... north... south, too! Frontiers have changed. Generations ago, "Westward Ho!" was the cry. Today, newer, bigger frontiers have opened up . . . east . . . west . . . north . . . south . . . *everywhere!* But human characteristics have *not* changed: now, as then, the man with know-how, ambition and the will-to-work, wins! True, geographic boundaries no longer identify a frontier. Yours may be in medicine . . . industry . . . agriculture . . . research . . . a business of your own! How can you recognize your frontiers? Take a tip from the pioneers. They saw their frontier as a challenge to overcome obstacles . . . they knew that an honest day's work brought them an honest day's return. They found that freedom . . . happiness . . . peace . . . wealth . . . the right to be somebody, had to be earned . . . and were well worth earning!

Choose a *worthy* frontier for your goal. Then, be willing to work as hard for it as did your forefathers. On the other side of your frontier is success. Bon voyage!

The very best of luck to
a real swell Christian
girl. Keep pressing on the
upward way.

Shirley May '55

Dear Shirley
You are a wonderful
and grand person and
I hope that we will always
be friends. May you
always be in the service
of our Lord and Saviour.
Best of luck to you and
Shirley and may you always
be happy in the future
A fellow Christian
"Clo"

I'll take new from
 Keep the old
 The first are silver
 The last are gold
 I'll remember always
 the speech content
 and you
